Hula at the Library!

Hula dancers from the Ananda Foley Studio in Durango will be performing for the ICL Saturday, June 8 at 3:00 pm. The group will also be giving a presentation on aspects of Hawaiian culture that pertain to their dances, and attendees can also learn some basic dance moves!

Computer Tip of the month

Need help zooming in and out on your computer screen?

Here is a quick fix! While holding the Ctrl button on the keyboard roll the wheel on your mouse up or down, this should in turn make your screen smaller or larger.

Container Gardening Class

Darrin Parmenter from the Colorado State University's Extension Office for La Plata County will be at ICL to demonstrate how to garden using containers in this free class.

No advanced registration required.

Tuesday, June 4 at 5:30 p.m.

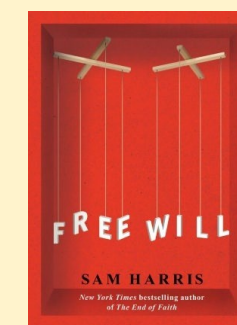

Author Visit

ICL is hosting Jon Waterman, mountaineer and author of Chasing Denali. He'll share images, video, and stories of his climbing adventures and shed light on a famous mountain climbing mystery that took place on Denali.

Saturday, June 1 at 11:00 a.m.

Staff Pick of the month

"In this enlightening book Sam Harris argues that this truth about the human mind does not undermine morality or diminish the importance of social and political freedom, but it can and should change the way we think about some of the most important questions in life." - Amazon review

Mental Health Tip

Improving Your Diet:

Studies have shown what foods your stomach and gut process can greatly influence your brain; therefore, spending a month focusing on improving your diet can lead to positive changes in mental health.

Some things you can do to create a healthier diet include:

Cutting down on sugar

Limiting fast food

Eating more fruits and vegetables

Drinking more water

Purchasing organic versions of food you already eat

Taking daily vitamins

Data Base Highlight

If you go to our website; ignaciolibrary.org and hit the research tab, you will find many databases. This month we're highlighting *Funk & Wagnall's New World Encyclopedia*. This data base can get you access to thousands of encyclopedia entries on a variety of topics!
