Staff Pick of the month

"A painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature....Owens here surveys the desolate marshlands of the North Carolina coast through the eves of an abandoned child. And in her isolation that child makes us open our own eyes to the secret wonders—and dangers—of her private world."—The New York **Times Book Review**

AR Computer now at the library

Now available at ICL for students in Ignacio schools is an AR computer! Come in and continue your reading testing anytime this summer.

Parents Check This Out!

Here's a great book series for your child, It's called World of Reading! This line of early readers is designed to offer emerging readers stories featuring the characters they love at a pace that is just right for them to build confidence and a love for reading! Level 1 books feature easy-to-sound-out words for beginning readers. We have these books with such characters as the **Hulk, Doc McStuffins, Minnie Mouse** and more!

Computer Tip of the month

To enhance your online privacy in Google Chrome set your cookies to expire when you exit your browser, and disallow third-party cookies from being sent.

To change your cookie settings:

Locate and click the Chrome setting menu, which should be one of the following two icons in the top right corner of vour browser:

Click "Settings". Scroll to the bottom, and click "Show Advanced Settings". Under "Privacy", click "Content Settings". Select "Keep local data only until I quit my browser/for current session" and check "Block third-party cookies and site data", then click "Done".

Coming in August...

Canning Class

Saturday, August 17 10:00 a.m.

AspenCat Class

Receive instruction on how to use the new AspenCat catalogue and how to order materials from other libraries using it!

Thursday, August 8 at 5:30 p.m.

Space Shuttle Program

Did you know this July is the 50th anniversary of the Apollo Moon Landing? To celebrate, the library will be hosting Lucinda Lounge, sister to the late astronaut John M. Lounge. Lucinda has a special presentation in which she shares photos, memorabilia and objects that even went into space from her brothers three shuttle missions.

We invite all ages to join in the fun on Saturday, July 20 at 11:00 a.m.

Mystery Book Club

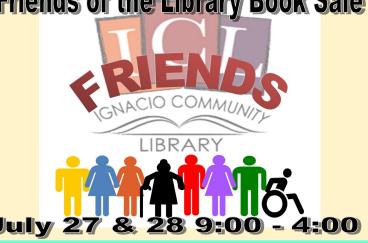

Monday, July 8 @ 11:30 a.m. IN

> **FARLEIGH** FIELD

MBC guests are invited to provide

their own lunch this month

Friends of the Library Book Sale

Important information for ICL patrons!

The Ignacio Community Library Staff is pleased to announce ICL is joining AspenCat library system. AspenCat is an integrated library system, hosted by the Colorado Library Consortium. What does this mean for you, our patrons? First, it means additional materials are available to you. ICL currently has just under 25,000 items available for checkout. With AspenCat, ICL patrons will have access to over one million items in the catalog. This means greater access to print and audio books, movies and more. Second, the process for receiving books will be faster since patrons will be able to request items or place holds directly. Our library cards will remain the same, we will not need to replace cards or patron information. The online catalog will still be available through the Library's website. While it will look different, it will be user friendly and intuitive. No action is needed by patrons. We appreciate the patience of our patrons as library staff gets up to speed on running and using the new system.

This change will happen on Monday, July 15th. ICL will be closed on the 14th and 15th to accomplish the move, train staff, and prepare the system. Although we may have a slight learning curve initially, Library staff anticipates a smooth transition to the new system and is looking forward to continuing to help our patrons access the information and materials they need.

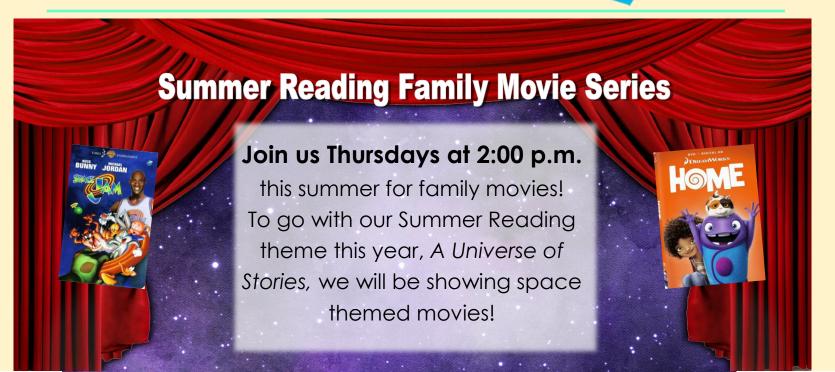

www.ignaciolibrary.org

Board games, card games, and dice games! For ages 9—adult Thursdays at 12:45—1:45 p.m.

Donations to ICL

We gladly accept donations that are current and in good condition. We are no longer able to receive textbooks, encyclopedia sets, Reader's Digest Condensed, VHS, or cassette materials. However, we appreciate DVDs as well as current books and magazines.

Did You Know?

We have a Motheread/Fatheread program which is, an adult literacy program sponsored by the Colorado Humanities Council that encourages parents to read to their children. Parents who participate in the program increase their own reading level while sharing great children's literature with their children and promoting early literacy.

ICL is currently conducting this at the Southern **Ute Detention Center. After each session a book** and a recording of the parent reading is sent to their child.

It's the 50th Anniversary of the Moon Landing!

On July 20, 1969 Neil Armstrong and Buzz Aldrin become the first humans to set foot on the moon.

When the astronauts landed on the moon they had only 25 seconds of fuel left before the mission would have been aborted.

The landing was watched on T.V by nearly 600 million people.

> After they returned to Earth the astronauts were quarantined for 21 days in case they had a "moon disease".

Have you read...

Oliphan completely AIL HONEYMA

"These days, loneliness is the new cancer - a shameful, embarrassing thing, brought upon yourself in some obscure way. A fearful, incurable thing, so horrifying that you dare not mention it; other people don't want to hear the word spoken aloud for fear that they might too be afflicted."

"A wacky charming novel: hilarious and moving."

- People Magazine

Data Base Hig

If you go to our website; ignaciolibrary.org and hit the research tab, you will find many databases. This month we're highlighting Colorado Legal Services. It can help low-income **Coloradans seeking legal** assistance and Colorado legal advocates.
