A big shoutout to Kathy Scott for making face coverings for the library during this time, we appreciate you very much.

Thank you!

Dates Closed in July

In observance of the 4th of July, and to get our floors redone, we will be closed Friday, July 3— Monday, July 6.

Did you know?

"When children have a home library, even as small as 20 books of their own, they achieve 3 more years of schooling than children who don't have any books at home."

Bookpacks

We understand learning to read can be hard. We at ICL like to do our best to help those in need and our Playaway Bookpacks are a great way to do so!

These packs use both visual and audio to help your child not only learn to read but help them enjoy reading. Inside each one is a book or books with a playaway device that reads the stories to your child while they follow along.

We have a great variety of stories for all ages!

Reopening!

Wednesday, July 1 at 9:00 a.m.

The fireworks are definitely flying for us here at the library this month, because we are reopening! Wednesday, July 1 will be our first day to unlock our doors to the public, and we are so excited to see our patrons once again, but there will be some regulations we must follow.

Remaining socially distant, plexie sneeze guards, masks, and limiting the amount of daily patrons may all be present when we open our doors, but we will do our best to make the transition as easy as possible for everyone.

Please visit our website, ignaciolibrary.org, or Facebook page to see any updates and to read through a more detailed plan of our reopening.

Interested in learning how to use Zoom?

Throughout the month of July the ICL will be offering in-person, socially distanced appointments for people who want to learn how to use Zoom on their computer or smartphone so that they can better access meetings and other events that are taking place in our post-coronavirus world.

If you would like to learn how to use Zoom and would like to make an appointment during the month of July please call the library at 970-563-9287 and ask for Andrew Hutchinson!

Feel free to also email him at ahutchinson@ignaciolibrary.org

Mystery Book Club

Monday, July 13 at 11:30 a.m.

This month we will meet at Shoshone Park behind the library in the main gazebo. Attendees are encouraged to bring their own food for lunch as well as a chair to sit in and/or a cushion to sit on.

Since libraries in Colorado are not trading books and it is difficult to get a set, this month members are encouraged to read a mystery novel of their choice and then come prepared to talk to the rest of the group about it!

A time for women to let their hair down, make new friends, laugh, and share a meal while discussing a good book!

Come discuss *Sarah's Key*. Please bring a sack lunch and a chair, we'll be meeting at the park.

Next month's book is *Grandma Gatewood's Walk The Inspiring Story of the Woman Who Saved the Appalachian Trail*. Emma Gatewood was the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times and she did it all after the age of 65. Written by Ben Montgomery.

Summer Reading

Hey all you adults! The kids are beating you this summer! So don't forget you can log the books you read on the READsquared app too. The more you read the more prizes you could be eligible to win!

You can still register, call us or visit our website under the Summer Reading tab.

Coming in August...
Mosquito Talk
Saturday, August 8 at 11:00 a.m.

ICL will be hosting a Zoom meeting with Timothy Wineguard, a professor of history and political science at Colorado Mesa University, and author of a new novel *The Mosquito: A Human History of Our Deadliest Predator*.

There will be a meeting ID for this Zoom meeting published in August's newsletter, as well as made available on our website for anyone interested. Come join in this meeting as Mr. Wineguard discusses his book and all sorts of other interesting facts about a small organism that has had such a large impact on human history!
