IGNACIO COMMUNITY LIBRARY

Newsletter

The Ignacio Community Library is a center that brings people and ideas together for learning and personal growth.

Sugar Talk with Fran Sutherlin

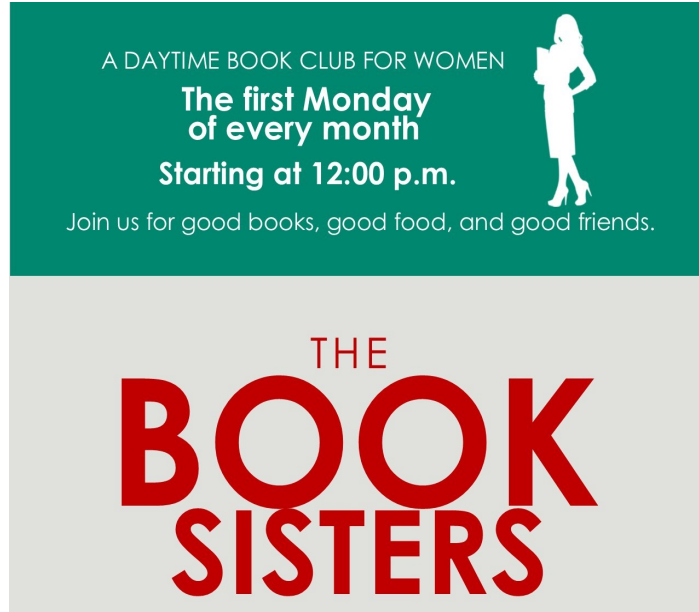

Wednesday, October 15 at 5:30 p.m.

In conjunction with the ICL, Fran Sutherlin - a local registered dietitian and digestive wellness coach - will be giving a virtual talk on Wednesday, October 15th at 5:30 via Zoom on how best to have less sugar during the upcoming holiday season.

The link and event ID for the Zoom talk will be available on our website, by calling 970-563-9287, or by emailing ahutchinson@ignaciolibrary.org.

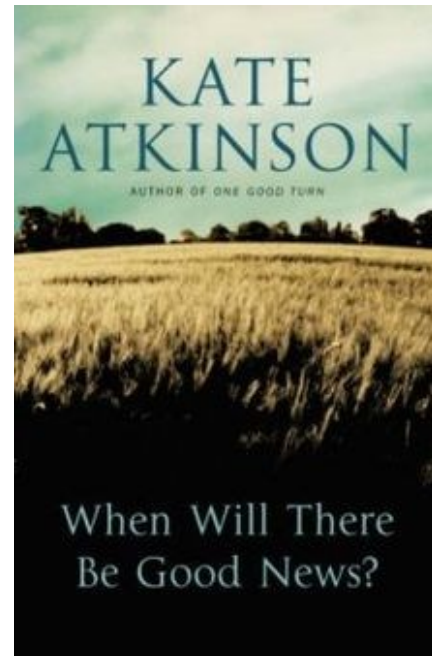

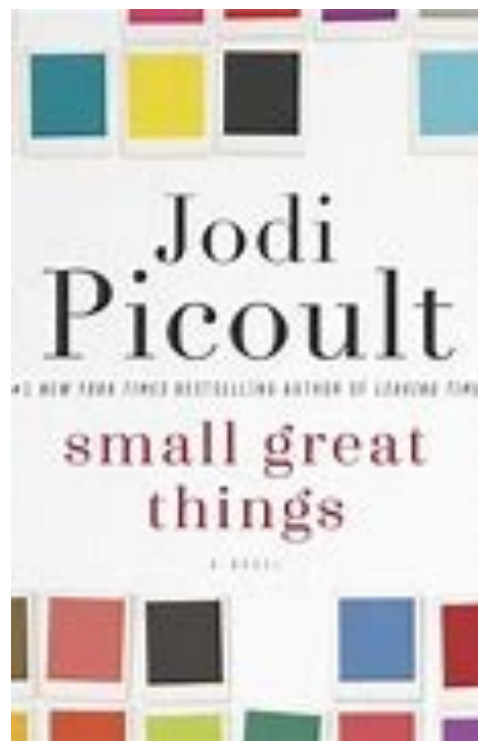

Books Clubs

Hey ladies! Join us at the library for our monthly meeting of the Book Sisters.

Monday, October 5 at 12:00 p.m.

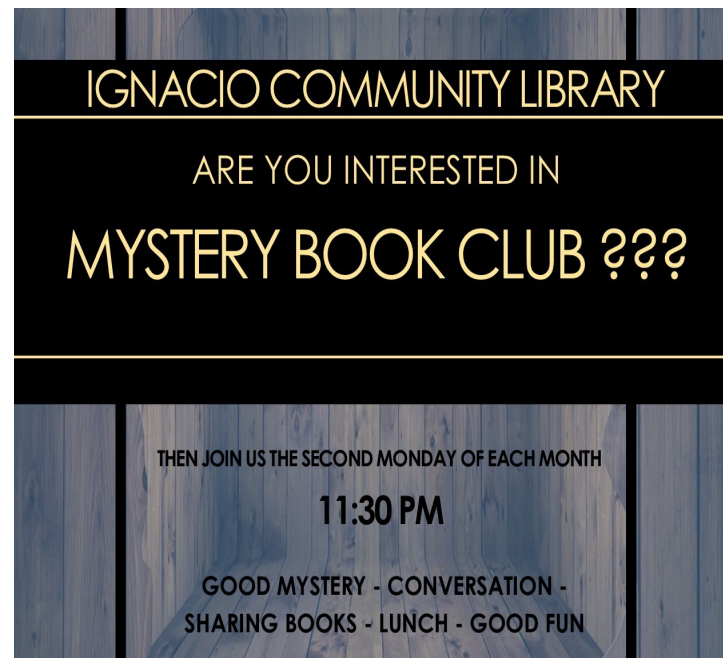

The book of the month

The book of the month

Monday, October 19 at 11:30 a.m.

This month we will meet at the library on the back patio. Attendees are encouraged to bring their own food for lunch.

ICL now has coin rolling equipment and supplies for checkout

Why do U.S coins seem to be in short supply? Business and bank closures associated with the COVID-19 pandemic have significantly disrupted the supply chain and normal circulation patterns for U.S coins.

As the economy recovers and businesses reopen, more coins will flow back into retail and banking channels and eventually into the Federal Reserve, which should allow for the rebuilding of coin inventories.

Ignacio Community Library now has supplies to help you cash in on your piggy bank put coins back in circulation. You can check-out coin tubes and coin wrappers to make the job easier. This should help out patrons as the bank requires coins to be rolled for deposit Ask for the coin tubes at the service desk.

Did you know?

"Candy Corn has been around for more than a century. George Renninger of the Wunderlee Candy Company invented it in the 1880's, according to the National Confectioners Association. Perhaps because its look was reminiscent of farm life, it caught on with city folk nostalgic for a rural past. At any rate, it's tri-colored look was revolutionary for the candy industry at the time. The Goelitz Candy Company started making candy corn in 1900 and still makes it today, although the company name has changed to the Jelly Belly Candy Company.

The Friends of the Library are having a book sale!

Join us at ICL on Saturday, October 3 from 10:00 a.m. to 3:00 p.m.

If you don't know, the ICL Friends Group help our library by volunteering, program support, advocating, raising money and so much more!

We appreciate all they do for our towns library and hope you can support them in return!

Did you know?

Illinois is the number one producer of Pumpkins in the U.S

Are you looking for a new hobby?

As autumn arrives and the day light shortens towards the Solstice, now might be a good time to try out a new hobby. People with hobbies have been found to be significantly happier and healthier than those folks who do not have interests outside of their employment. Hobbies can help our mental health by reducing anxiety and stress.

Maybe you want to practice a hands-on activity such as origami or sewing? Or maybe you have always wanted to make films or learn to code? The IDEA LAB at ICL is a makerspace and digital media lab stocked with equipment, software and tools that are accessible for the Library's patrons.

The pandemic has brought changes to many of the activities that we pursued in the past. Now could be the time to find a new normal and turn any temporary losses into different possibilities.

The IDEA LAB at ICL is a great place to explore new, exciting and challenging skills that can lead individuals to new levels of learning for both recreation and work. Call the service desk to schedule an appointment for use of the IDEA LAB or to set up a lesson.

Thank you to our sponsors!

We appreciate all they do, give them a visit to show support as well!
